Proposed Plan For Merger Of Southside TB Assoc. Presented

A plan has been advanced by the Virginia Tuberculosis Association to combine the 44 area associations into 14 area offices.

The local association would be comprised of the present counties of Prince Edward, Amelia, Appomattox, Buckingham, Charlotte, Cumberland, Lunenburg and Nottoway, with the exception of Powhatan County which is now in the Southside Association and an area with the Richmond-Henrico TB Association; this area and the Lynchburg area consisting of Campbell county and the city of Lynchburg would be retained and the two inorganized counties, Nelson and Amherst, would be added.

Fred H. Wheeler, Director of Local Program Development, VTA explained to the board of directors of the Southside TB Association at a meeting Monday night in the court room, the plan and how it would work. Mr. Wheeler stated that the world situation has changed considerably in the last 50 years. We have progressed rapidly in communication and transportation from telephone and telegram to radio, TV and Telstar, from the horse and buggy age to the space age.

Starting in 1962, the Rockefeller Foundation did a survey on the high cost of drives for fund raising being conducted by various agencies and recommended the TB Association on their merits and in carrying on their care system.

The National Health Council has developed a system of accounting for voluntary health agencies of the country. The Brewster continued "and the VTA is adopting this system beginning with their next fiscal year, April. In other words, this system will soon be made necessary accounting of time and money given to each specified service. Whereas in area 1 we organized there is only enough money taken in from TB Seal Sales to hire one worker and not enough funds to conduct a program of case finding or eradication.

The new area would increase from 96,000 to 214,000 people with a net budget of $26,000 and a $7,750 gross. The staff would have to be increased from two paid workers to probably four. The board of directors enlarged and one main office set up in a central location in the area.

"If TB is to be eradicated some better type of plan must be set up than is being used now," according to the VTA. Adoption of the new plan may be decided at the VTA board meeting in Richmond on March 7th. Dr. Charles W. Scott, local association president told the approximately 42 representatives present. If adopted, the plan would be effective within 90 days. Other states are following this pattern of reducing the number of associations.

Funds from the state Seal Campaign have increased from $400,000 to $700,000 over the past ten years and the state is receiving a smaller percentage, now 11 per cent and the national association a larger percentage than at the present time - now 7 per cent.

The Southside TB association is as large as any in the state but has a sparse population. Returns reported from the Christmas Seal Campaign this year are $87.4B more than was reported by the same date last year, January 23rd.

James M. Watson board member from Farmville, asked Brewster whether it was worth the change, whether the change would come out of the proposed set up after paying travel expenses over the larger territory and increased office expenses. The reply was, only by complete coverage could TB be eradicated and this was not possible under the present set up. Under the proposed set up, the Southside unit would share the strength and weaknesses of the Lynchburg unit.

Dr. Scott remarked there was a good deal of optimism for raising the quarterly board meeting instead of holding them in one central place as is done now. He suggested this might be ironed out before the state board meeting.

Mrs. James C. Rea, Jr. representing the Southside Association on the state board, if the plan goes through, an enlarged board part of the plan would be elected at the organizational meeting.

Mrs. Sinima C. Anthony reported 71 cases under supervision in the Southside TB area and under the new plan 226 would be handled from the Lynchburg office.

After much discussion the motion was made by Farrar Shelton, and carried with one dissenting vote, to give acceptable understanding to the approval in the principle of consolidation.

The following amounts were reported from this area's Seal Sale Campaigns in the nine counties: Amelia, $1,140.61; Appomattox, $1,228.65; Buckingham, $1,-879.94; Charlotte, $2,114.83; Cumberland, $778.; Lunenburg, $1,-766.24; Nottoway, $2,478.12; Powhatan, $870.23; Prince Edward, $2,836.46.

The association total of $14,-796.79 included the sale of TB bonds among the Negro organizations, such as churches, PTA's and civic clubs, amounting to $2,412.34 and $384.26 raised on the sale of the bonds at Piedmont Sanatorium in Nottoway County.

All reports from the Christmas Seal Campaign are not complete as the end of the reporting is not until March 1.

Those who have not turned in their contributions are urged by Mrs. Anthony to send in the money to the local office by March 1st.

Galilee Junior Choir To Render Special Service

The Junior Choir of the Galilee Baptist Church will render a special service at the Galilee Baptist Church this Sunday evening, Feb. 17 at 7:30. The young Rev. Raymond Turner will be the guest speaker and special music will be rendered by the Mount Airy Junior Choir. The program is given for the benefit of the local Junior Choir. The public is invited to attend. Mrs. Dorothy Stevens, director of the choir is sponsor of the program.

A large crowd of relatives and friends attended the funeral services for the late Mrs. Josephine Preston last Sunday evening at 1:30 from the First Baptist Church. Mrs. Preston died in the Lynchburg General Hospital early last Thursday morning. She had been released from the hospital after receiving treatments and was showing signs of improvements. She suffered a relapse and returned to hospital last Tuesday. Mrs. Preston was reared in Appomattox. She was the widow of the late Stephen Preston. The funeral and burial service was carried out in a very effective manner. Processional; Hymn, In the Sweet By-and-By; Rev. Chair; Scripture reading, the pastor. Prayer, Rev. Lawing Ackknowledgements, Rev. Crawford; Words of Comfort and expressions, Rev. R. Q. Lawing; Family letter, Rev. Crawford; Eulogy, Rev. Appling, pastor of the church. The deceased leaves the following to mourn their loss four sons, four daughters, fifteen grandchildren, four sisters and a host of relatives and friends. The floral designs were in large numbers. Burial was held in the community cemetery. West Funeral Home of Appomattox was in charge of arrangements.

A large crowd attended the revival preaching services at the Mount Salem Baptist Church last Sunday at the regular preaching hour. The Rev. F. Archer, Field missionary of the Nasahlal Association was the guest speaker. He was assisted in the service by the Mt. Salem Band Thompson Musser was rendered by the church choir. A few visitors attended the service.

Funeral services for the late Mrs. Lelia Johnson were held and will be conducted from the Pro-Church of Pamplin last Wednesday at 2 p.m. The pastor of the church, Rev. H. J. Henderieks, officiated and delivered the eulogy. He was assisted in the service by the Reverends James and Charlie Franklin and the Rev. R. Q. Lawing. The church choir rendered special music.

News has been received here of the death of Mr. Pat Scruggs in Washington D.C. His funeral regular meeting of the Curryville Land Baptist Church during the latter part of this week. The general public is cordially invited to worship at the Galilee Baptist Church this Sunday at the regular 11:30 a.m. service.

All teachers, patrons and friend are reminded of the next regular meeting of the Ca ver Prive P.T.A. on Monday evening after the fourth Sunday in this month at 7:30 p.m. Business of importance will be discussed concerning the new addition to the school. Please arrange to come and be on time.

Senior 4-H Club

The Appomattox Senior 4 - H Club met on Thursday, January 31, 1963 for its regular meeting and also to make plans for the upcoming 4-H Share The Fun Contest. The Appomattox Senior Club being the only one of its type in the county, is assisting in planning the contest. Clowns will be chosen and awards were also chosen to assist in making the settings for a circus theme.

The meeting was called to order by Tom Evans and the minutes were read by Mary Van Spencer Berg that there was no old business the Share-The-Fun Contest was discussed as new business.

The meeting was then turned over to Miss Berger and Mr. Smith Miss Berger pointed out that March was a very important month on the 4-H calendar. She informed us of the county demonstration day and she told us about various demonstrations that our club members could participate in.

After a discussion on the demonstrations by the club members, a program was held on our club song and a short skit was held on this subject, after which the meeting was adjourned.

PROGRESS THROUGH SERVICE 1863 1963
A CENTURY OF COMMERCIAL BANKING
It was in 1863 that President Lincoln signed the National Currency Act. The Act provided for the issuing of a national currency and for the establishment of a system of Federally chartered banks to take their place, alongside the already established system of state-chartered banks.
It didn't make big headlines at the time; but, ever since, it has had far-reaching consequences for the American economy—in other words, your pocketbook.
During the century between 1863 and 1963, this effective dual system of banking has contributed immeasurably to America's growth, and its role in the Nation's life has been constantly advancing. Our bank is proud of expanding its service to meet the growing needs of its neighbors; proud to contribute thus to progress, for America and for you; proud to share in the observance of a significant American centennial — the theme of which, appropriately, is "Progress through service."

CHEVROLET TRUCK QUALITY

You can see the difference wherever you look
If you believe various makes of trucks are pretty much alike, you aren't doing justice to your pocketbook. There are differences.
A Chevrolet truck welcomes comparison. Look at the little things on it—latches, hinges, stitching in the upholstery. Notice how strong the tailgate is, the rubber encased chains that keep it from sagging.
The body floor is made of select wood to eliminate the rust problem and give you better footing. The lower side panels are double-walled; you might dent the inside but it won't blow through.
Chevrolet designs suspension systems to fit your need. The light-duty type is strong on comfort. Another kind for heavier trucks stiffens up as you increase your load and vice versa. Make sense?
If you are going to need a new truck this year, you should look at the quality Chevrolet has to offer. May we bring over a new '63 so you can examine it?
2 NEW 6-CYLINDER ENGINES

New High Torque 230-cu.-in. Six is lighter but more powerful than it predecessor. It is standard in Series C10 through C30 models.

New High Torque 292-cu.-in. Six—most powerful truck 6 Chevrolet has ever built! Standard in Series C60, optional at extra cost in lighter models.
